Re: Estate of Keith Holt
Policy number: 892877136
Our client: Laura Mcdaniel
Date of death: 6/15/2020

To Whom It May Concern,

I have been retained by Laura Mcdaniel to handle the estate of Keith Holt. My understanding is that they had a life insurance policy with your company. If this is correct, please send a letter to my office indicating you have received our letter of representation. Additionally, please do not contact our client going forward.

Our understanding is that the policy was for the amount of \$15,000. If that is correct, please forward that amount to our office. If there are any forms that need to be completed, please forward those as well. If you are aware of any additional policies that are in force, send information about those policies to our office.

If you have any questions, please contact my office.

Sincerely,

John D Locke, Esq
