Re: Estate of Sam Escobar
Policy number: 709698800
Our client: Naomi Acosta
Date of death: 11/11/2020

To Whom It May Concern,

I have been retained by Naomi Acosta to handle the estate of Sam Escobar. My understanding is that they had a life insurance policy with your company. If this is correct, please send a letter to my office indicating you have received our letter of representation. Additionally, please do not contact our client going forward.

Our understanding is that the policy was for the amount of \$50,000. If that is correct, please forward that amount to our office. If there are any forms that need to be completed, please forward those as well. If you are aware of any additional policies that are in force, send information about those policies to our office.

If you have any questions, please contact my office.

Sincerely,

John D Locke, Esq
